

Handwashing procedure

Wash your hands with soap, water and paper towel

First, rinse your hands under warm water to remove loose dirt

Press the button to deliver a dose of soap

Rub the palms of the hands together to create a lather

Rub the back of one hand against the palm of the other, repeat with the other hand

Rub the palms together with fingers interlaced

Rub the tips of the fingers against the palm of the opposite hand

Wash each thumb by rotating inside the palm of the other hand

Rub the backs of fingers of each hand against the palm of the other using small circular movements

Remember to wash the wrists

Rinse carefully under running water

Dry the hands carefully using a disposable paper towel. Remember to dry the spaces between the fingers

Use a paper towel to turn off the faucet

Your hands are now dry and safe

Use lotion if needed

40-60 sec
